REMARKS: This Hobby Farm is a little over 14 miles from Burns Oregon. There are four newer pivots of which one has a LESA irrigation sprinkler package. The current owners use two pivots for irrigating pasture for their cattle herd and hays the other two pivots. There is a nice steel piped corrals with chute and powder river tub. The triple wide manufactured home has an open kitchen floor plan to the family room with breakfast bar & skylights. Besides the 3 bedrooms and 2 baths, there is a den with double doors that could be used for a 4th bedroom. The house has newer laminated floors and a Blaze King woodstove. Great location with only a few minutes from Burns and would make a great Hobby Farm for someone who works for Burns or Hines.
