146 ARIZONA LANE

New construction! Less than 15 minutes from Huntsville sits this 3 bed, 2.5 bath open floor plan w/storage galore. This is not your typical spec home. The kitchen, bathrooms, & utility are outfitted with beautiful granite. Adjacent to the kitchen island is an awesome breakfast bar, w/wood vinyl flooring throughout, tiled entry, bathrooms, and utility. A metal roof, knotty pine accented ceilings, & a gorgeous stone fireplace complete the look. At 1,865 square ft, there is still so much storage in this home, including an ample utility area with add'l sink, large walk-in closets & an extra large storage room in the hallway. Out back, the shaded porch comes complete with outdoor sink, cabinets & counters, wired for outdoor TV, all set up and ready for entertaining. At the rear of the carport, there's a 21x10 ft workshop/storage room, that could even become a she-shed! This builder thought of things that many others do not, so come make this place your home, & leave the city stress behind.
