FM 946 N - TRACT 1

Absolutely gorgeous 20 Acre tract in Oakhurst with approximately 600 ft of road footage. Nothing on the market competes with these aesthetics. The land is sandy loam soil, with a pretty seasonal creek, rolling terrain, with over 30 ft of elevation changes. The wooded portion makes up about 2/3 of the land, loaded with a mixture of pine and hardwood trees. The pastureland is lush and green, with multiple homesite potential. It's truly breathtaking, so definitely make plans to come and see it.
