PROPERTY OVERVIEW

The McGee Branch East Tract, 3,822 acres of productive forests located in Levy County, FL, is an exceptional timberland investment opportunity. The property has been professionally managed by several major timber companies over the past decades and features merchantable and premerchantable pine plantations established with seedlings from some of the South's premier tree nurseries using state-of-the-art silvicultural methods on very productive soils. Natural hardwoods and cypress in the wetlands provide excellent wildlife habitat and deer, Osceola wild turkey, hogs and small game are plentiful. A well maintained road system and direct entry CR-343, a two-lane paved highway, provides excellent access for timber management and recreational uses.

- 287 acres of merchantable planted pine
- 1,269 acres of premerchantable planted pine
- 600 acres of harvested areas ready for reforestation
- 1,630 acres of natural timber
- Duke Energy 230-kV transmission line traverses property

Additional timberland/recreational tracts also available at this location.
