Selling Oregon Farms & Ranches Since 1960

FOR SALE

This Eastern Oregon setup is situated along highway 205 roughly 15 minutes south of Burns spanning across 200 acres with a fully fenced perimeter and some cross fencing. The ground has 2 wells on it, one for stock use while the other is an old irrigation well.

The acreage comprises 3 structures. The main house is a 1990 manufactured home that is 1,215sqft with a metal roof, vinyl windows, full foundation & an enclosed back patio area. The home is a 3-bedroom 2 bathroom set up with woodstove & electric F/A for heat sources. The kitchen is an open style with a skylight and access to the laundry room. The master suite has a large closet & full private bath. The home has had most of the flooring removed & needs updates. Next to the home is a small set of corrals with an alley & head catch.

The other two structures are a 192sqft livestock shed & 2,100sqft machine shed. The machine shed is a pole barn construction that features an enclosed room for storage & 4 large bays, one of which has a concrete floor. The livestock shed has concrete flooring and is insulated. Next to the shed is a train cart that had been used for storage.

Overall if you are looking for a quiet secluded property this is it. The acreage has plenty of elbow room & can be a great place of a hobby ranch.
