

FARM & RANCH

UNDEVELOPED LAND

Don't miss this amazing opportunity to own over 93 gorgeous acres in the heart of Parker County. The property is fenced and cross fenced with 4 tanks, the most beautiful trees, and a seasonal creek. It would be perfect for a horse or cattle operation, outdoor recreation, development or just a family looking for peace and quiet. The opportunities are endless! As an added bonus there is a cute, OLD farmhouse with a barn and an old, hand built, stone storm cellar perched perfectly on a hill top with views for miles. You can just feel the history and character of the property from here. With the utilities already in place it's just begging for a new, magnificent home to match those magnificent views. The sunsets from that hill are absolutely mesmerizing. You have to see it to believe it! The property location is ideal being just minutes to I-20 and HWY 180 which makes Weatherford, Mineral Wells, and Fort Worth all just a short drive away. Plus, Millsap Elementary is just blocks away.
