6.4 Advisory Members. The Voting Members may from time to time designate Advisory Members.

6.5 Term. At such time as fifty-one percent (51%) of all the Lots in all units of Summit Ridge whether platted or to be platted, are conveyed by Declarant (from time to time hereafter referred to as the "Control Transfer Date"), the Declarant shall cause an instrument transferring control over the Association and the Architectural Control Committee to be placed of record in the Official Public Records of Medina County, Texas (which instrument shall include the Control Transfer Date, and shall appoint not less than three (3) members to form the Architectural Control Committee. Whenever in this Declaration, or in any Supplemental Declaration, the approval of the Architectural Control Committee is required, it shall consider all of the Plans and Specifications for the Improvement or proposal in questions and all other facts and information which, in its sole discretion, it considers relevant, and may require an Owner to provide such other information as it deems relevant. Except as otherwise specifically provided herein, prior to the commencement of any construction of any Improvement on the Property or any portion thereof, the Plans and Specifications therefor shall be submitted to the Architectural Control Committee, and construction thereof may not commence unless and until the Architectural Control Committee has approved such Plans and Specifications in writing. The Architectural Control Committee may postpone review of the Plans and Specifications until such time as the Architectural Control Committee has received all information reasonably requested. If the Architectural Control Committee fails to approve or disapprove in writing any plans and specifications within thirty days following the submission of plans, or the receipt of any requested additional information, such plans and specifications shall be deemed approved and the construction of any such building and other improvements may be commenced and proceeded with in compliance of such plans and specifications. The Architectural Control Committee shall perform such other duties assigned to it by this Declaration or as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with Plans and Specifications approved by the Architectural Control Committee. The Architectural Control Committee shall not be responsible for reviewing and approving any proposed improvements, nor shall its approval of any Plans and Specifications be deemed approval thereof from the standpoint of structural safety, engineering soundness, or conformance with building or other codes.

Simultaneously with the submission of any plans and specifications, the Owner of the Lot shall submit a \$1000.00 construction fee to the Association. The fee shall be to provide funds for picking up trash and otherwise ensuring that the subdivision is free from builder debris and to guarantee that the Owner of the Lot, as well as any Contractor or Subcontractor, adheres to the provisions of this Declaration. If the Committee or the Association must remedy a violation, the cost of such remedy shall be charged against these funds. This provisions does not limit any other relief to which the

All variances must be evidenced by a written instrument in recordable form, and must be signed by a majority of the Committee's Voting Members. The granting of such variance shall not operate to waive or amend any of the terms and provisions of these covenants and restrictions applicable to the Lots for any purpose except as to the particular property and in the particular instance covered by the variance, and such variance shall not be considered to establish a precedent or future waiver, modification or amendment of the terms and provisions hereof.

6.9 No Waiver of Future Approvals. The approval or consent of the Architectural Control Committee to any Plans or Specifications for any work done or proposed in connection with any other matter requiring the approval or consent of the Architectural Control Committee shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any Plans and Specifications, or other matter whatsoever, subsequently or additionally submitted for approval or consent by the same or a different person.

6.10 Work in Progress. The Architectural Control Committee, at its option, may inspect all work in progress to ensure compliance with approved Plans and Specifications.

The Owner is hereby notified that the Certificate in no way warrants, except as set forth above, the sufficiency, acceptability or approval by the Architectural Control Committee of the construction workmanship, material and or equipment of the improvements. Preparation and recordation of such a Certificate shall be at the expense of the Owner of the improved Lot.

ARTICLE VII  
FUNDS AND ASSESSMENTS

7.1 Assessments.

(A) Assessments established hereunder or by the Board pursuant to the provisions of this Article VII shall be levied on a uniform basis against each Lot within the Property. Lots which have been re-platted to create a larger lot shall continue to pay assessments as if such lots were individual lots. If any one person owns two lots, such person shall pay the full assessment for one lot plus one-half of the assessment for the second Lot. If a person owns three or more lots, such person shall pay two times the assessment for one lot. The Developer shall determine the assessments against each lot until the Control Transfer Date.

(B) Each unpaid Assessment together with such interest thereon and costs of collection thereof as hereinafter provided, shall be the personal obligation of the Owner of the Property against which the Assessment falls due, and shall become a lien against each such Lot and all Improvements thereon. The Developer, until the Control Transfer Date, and the Master Association thereafter, may enforce payment of such assessments in accordance with the provisions of this Article.

(C) Where the obligation to pay an Assessment first arises after either the commencement of the year or other period for which the Assessment was levied, the Assessment shall be prorated as of the date when said obligation first arose to the duration of the Assessment year or other period remaining after said date.

7.2 Maintenance Fund. The Developer shall initially establish, and the Board shall after the Control Transfer Date continue, a maintenance fund into which shall be deposited all monies paid the Master Association and from which disbursements shall be made in performing the functions of the Master Association under this Declaration. The funds of the Master Association must be used solely for purposes authorized by this Declaration, as it may from time to time be amended. Nothing contained herein shall limit, preclude or impair the establishment or other maintenance funds by a Sub-association pursuant to any Supplement Declaration.

7.3 Regular Annual Assessments. Prior to the beginning of each fiscal year after the Control Transfer Date, the Board shall estimate the expenses to be incurred by the Association during such year in performing its functions under the Summit Ridge Restrictions, including but not limited to, the cost of all maintenance, the cost of enforcing the Summit Ridge Restrictions, and a reasonable provision for contingencies and appropriate replacement reserves. Assessments sufficient to pay such estimated net expenses shall then be levied as herein provided, and the level of Assessment set by the Board shall be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including nonpayment of any individual Assessment, the Association may at any time, and from time to time, levy further Assessments in the same manner as aforesaid. All such regular Assessments shall be due and payable to the Association at the beginning of the fiscal year or in such other manner and at such other time as the Board may designate in its sole and absolute discretion. In no event shall the regular Assessment per Lot for the year 2016 exceed the sum of \$595.00. Thereafter, the regular Assessment permitted hereunder shall not be increased by more than ten percent (10%) per year.

7.4 Special Assessments. In addition to the Regular Annual Assessment, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Any such Special Assessment may be levied against all Lots benefiting from such special assessment and may be enforced in the same manner as the Regular Annual Assessment.

7.5 Owner's Personal Obligation for Payment of Assessments. The Assessments provided for herein shall be the personal and individual debt of the Owner of the Lot covered by such Assessments. No Owner may exempt himself from liability for such Assessments. In the event of default in the payment of any such Assessment, the Owner of the Lot shall be obligated to pay interest on the amount of the Assessment from the due date at a percentage rate of eighteen percent (18.0%) per annum, or the highest amount allowed by law, whichever is lower, together with all costs, and expenses of collection, including reasonable attorney's fees.

7.6 Creation of Lien and Personal Obligation. In order to secure the payment of the assessments, fees and other charges hereby levied, each Owner of a Lot in the Subdivision, by such party's acceptance of a deed thereto, hereby grants to the Association a contractual lien on such Lot which may be foreclosed on by non-judicial foreclosure, pursuant to the provisions of Section 51 of the Texas Property Code (and any successor statute) and Section 209 of the Texas Property Code and each such owner hereby expressly grants the Association a power of sale in connection with such statute. The Association shall, whenever it proceeds with non-judicial foreclosure pursuant to the provisions of Sections 51 and 209 of the Texas Property Code and said

power of sale, designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the Association by means of a written instrument executed by the President or any Vice-President of the Association and filed for record in the Real Property Records of Medina County, Texas. In the event that the Association has determined to non-judicially foreclose the lien pursuant to the provisions of said Section 51 and 209 of the Texas Property Code and to exercise the power of sale hereby granted, the Association, or the Association's agent, shall give notice of foreclosure sale as provided by the Texas Property Code as then amended. Upon request by the Association, the Trustee shall give any further notice of foreclosure sale as may be required by the Texas Property Code as then amended, and shall convey such Lot to the highest bidder for cash by Deed. Out of the proceeds of such sale, if any, there shall first be paid all expenses incurred by the Association in connection with such default, including reasonable attorney's fees and a reasonable trustee's fee; second, from such proceeds there shall be paid to the Association an amount equal to the amount in default; and third, the remaining balance shall be paid to such Owner. Subject to Section 209 of the Texas Property Code, following any such foreclosure, each occupant of any such Lot foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action of forcible detainer and the issuance of a writ of restitution thereunder. In the event of non-payment by any Owner of any assessment, fee or other charge levied hereunder, the Association may, in addition to foreclosing the lien and exercising the remedies provided, upon ten (10) days prior written notice to such non-paying Owner, exercise all other rights and remedies available at law or in equity.

It is the intent of the provisions of this Section 7.5 to comply with the provisions of Section 51 and 209 of the Texas Property Code relating to non-judicial sales by power of sale and, in the event of the amendment of Section 51 or 209 of the Texas Property code hereafter, the President or any Vice-President of the Association, acting without joinder of any other Owner or mortgagee or other person may, by amendment to this Declaration file in the Real Property Records of Medina County, Texas, amend the provisions hereof so as to comply with said amendments to Section 51 or 209 of the Texas Property Code.

**7.7 Notice of Lien.** In addition to the right of the Association to enforce the assessments, fees or other charge levied hereunder, the Association may file a claim or lien against the Lot of the delinquent Owner by recording a notice ("Notice of Lien") setting forth (a) the amount of the claim of delinquency, (b) the interest thereon, (c) the costs of collection which have accrued thereon, (d) the legal description and street address of the Lot against which the lien is claimed and (e) the name of the Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or other duly authorized agent of the Association. The lien shall continue until the amounts secured hereby and all subsequently accruing amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien have been fully paid or satisfied, the Association shall execute and record a notice releasing the lien upon payment by the Owner of a reasonable fee as fixed by the Board of Directors to cover the preparation and recordation of such release of lien instrument.

**7.8 Liens Subordinate to Mortgages.** The lien described in this Article VII shall be deemed subordinate to a first lien or other liens of any bank, insurance company, savings and loan association, university, pension and profit sharing trusts or plans, or any other third party lender, including Developer, which may have heretofore or may hereafter lend money in good faith for the purchase or improvement of any Lot and any renewal, extension, rearrangement or refinancing thereof, including home equity loans. Each such mortgagee of a mortgage encumbering a Lot who obtains title to such Lot pursuant to the remedies provided in the deed of trust or mortgage or by judicial foreclosure shall take title to the Lot free and clear of any claims for unpaid assessments, fees or other charges against such Lot which accrued prior to the time such holder acquired title to such Lot. No such sale or transfer shall relieve such holder from liability for any assessments, fees or other charges thereafter becoming due or

from the lien thereof. Any other sale or transfer of a Lot shall not affect the Association's lien for assessments, fees or other charges. The Association shall make a good faith effort to give each such mortgagee sixty (60) days advance written notice of the Association's proposed foreclosure of lien described in Section 7.5 hereof, which notice shall be sent the nearest office of such mortgagee by prepaid United States registered or Certified mail, return receipt requested, and shall contain a statement of delinquent assessments, fees or other charges upon which the proposed action is based provided, however, the Association's failure to give such notice shall not impair or invalidate any foreclosure conducted by the Association pursuant to the provisions of this Article VII.

#### ARTICLE VIII EASEMENTS/DISCLOSURES

8.1 Reserved Easements. All dedications, limitations, restrictions and reservations shown on a Plat and all grants and dedications of easements, rights-of-way, restrictions and related rights, made by Declarant prior to the Property becoming subject to this Declaration, are incorporated herein by reference and made a part of this Declaration for all purposes, as if fully set forth herein, and shall be construed as being adopted in each and every contract, deed or conveyance executed or to be executed by or on behalf of Declarant conveying any part of the Property. The surface of easement areas for underground utility services may be used for planting of shrubbery, trees, lawns or flowers. However, neither the Declarant nor any supplier of any utility or service using any easement are shall be liable to any owner or to the Master Association for any damage done by them or either of them or their respective agents, employees, servants or assigns, to any of the aforesaid vegetation as a result of

any activity relating to the construction, maintenance, operation or repair of any facility in any such easement area.

The Declarant hereby reserves for itself and its duly authorized agents, representatives and employees, successors, assigns, licensees and mortgagees, an easement over the roadways within Summit Ridge and any other roadways or access easements and Common Areas for the purposes of enjoyment, use, access, and development of Additional Property, whether or not such property is made subject to this Declaration. Each Owner is responsible for taking such actions as may be necessary on his property to ensure that oak wilt and other diseases are not spread to the trees of other Owners. Because there is no known cure for oak wilt and oak wilt almost always spreads from a diseased tree to its neighboring oak trees, each Owner shall properly destroy all infected oak trees, avoid unnecessary pruning, and shall immediately apply dressing to all wounds on all oak trees. If oak wilt is detected, a minimum of 100 feet of the area surrounding the infected oak tree shall be trenched at least three feet (3') deep so as to prevent the oak wilt from spreading through connecting roots. Oak trees are most susceptible to oak wilt from February 1 to June 1. As a precaution, Owners should (i) avoid using firewood from infected oak trees, (ii) dispose of unused oak firewood after one heating season, and (iii) cut firewood only in the summer. Owners should use fungicide propiconazole to treat uninfected oaks when first informed of oak wilt being present on nearby trees. The foregoing information regarding oak wilt is provided to alert Owners and neither Declarant nor the Association shall be liable to any Owner in connection with the existence of spread of oak wilt on any Lot.
