312. J. 313. 314.	FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT ("FIRPTA"): Section 1445 of the Internal Revenue Code provides that a transferee ("Buyer") of a United States real property interest must be notified in writing and must withhold tax if the transferor ("Seller") is a foreign person and no exceptions from FIRPTA withholding apply.
315.	Seller represents that Seller IS SNOT a foreign person (i.e., a non-resident alien individual, foreign corporation,
316. 317.	foreign partnership, foreign trust, or foreign estate) for purposes of income taxation. This representation shall survive the closing of any transaction involving the Property described herein.
318. 319. 320.	NOTE: If the above answer is "IS," Buyer may be subject to income tax withholding in connection with the transaction (unless the transaction is covered by an applicable exception to FIRPTA withholding). In non-exempt transactions, Buyer may be liable for the tax if Buyer fails to withhold.
321. 322. 323.	If the above answer is "IS NOT," Buyer may wish to obtain specific documentation from Seller ensuring Buyer is exempt from the withholding requirements as prescribed under Section 1445 of the Internal Revenue Code.
324. 325. 326. 327.	Due to the complexity and potential risks of failing to comply with FIRPTA, including Buyer's responsibility for withholding the applicable tax, Buyer and Seller should seek appropriate legal and tax advice regarding FIRPTA compliance, as the respective licensees representing or assisting either party will be unable to assure either party whether the transaction is exempt from the FIRPTA withholding requirements.
