Off the primary suite is another gigantic room that could be used for multiple purposes: office, craft, or workout room. Two additional spacious bedrooms and another full bathroom are on the first level as well, ensuring comfort and privacy for the family and guests. The second floor has a large den, two bedrooms that share a bathroom, and a separate bedroom with its own bathroom. On the third floor, you will find a large multi-purpose room perfect for a music room, additional office, or even a yoga space.
