- V. "Supplemental Amendment" shall mean an amendment or supplement to this Declaration executed by or consented to by Declarant (and the Owner of the property) which subjects additional property to this Declaration and/or imposes, expressly or by reference, additional restrictions and obligations on the land described therein. ARTICLE II. PURPOSE AND INTENT

Plantation Lakes, as initially planned, is intended to be a residential development that is planned to feature residential uses.

This Declaration shall serve as the means by which design, maintenance and use of the Property and eligible property anticipated to be a part of Plantation Lakes will be established.

ARTICLE III. PROPERTY SUBJECT TO RESTRICTIONS

A. Property Initially Encumbered

The Property that is initially encumbered by this Declaration and is therefore a part of the Plantation Lakes Subdivision is more particularly described in the map or plat thereof, filed under Clerk's File No. 403289 of the Real Property Records of Waller County, Texas. Owners of Property are Members of the Association and have executed this Declaration.

B. Annexation of Additional Property

Without the joinder of any other Owners or Members, the Declarant reserves the exclusive right for twenty-five (25) years following the execution of this Declaration to annex any additional property. Such annexation shall be accomplished by the execution and filing for

record of a Supplemental Amendment setting forth the land being annexed and/or the specific restrictions relating to such property, if different, provided the maintenance fee provision shall be uniform as to all Lots.

The right of the Declarant to annex land under this Section shall pass to the Association upon the expiration of the twenty-five (25) year term granted above or upon the termination of Class "B" Membership pursuant to Article IV, Section C, whichever occurs first.

ARTICLE IV. MEMBERSHIP AND VOTING RIGHTS

A. Eligibility

Eligibility to vote or serve as a representative, director or officer, after the expiration of the term of the initial Board of Directors, shall be predicated upon a Member being in good standing with the Association. To be in good standing, the Member must have all assessments of every type and category paid up to date and have no outstanding financial obligations to the Association that are delinquent. Additionally, no Member shall be allowed to vote or hold office if that Member is noted of record (or within the records of) the Association to have a deed restriction violation on one or more Lots in Plantation Lakes.

B. Membership

The sole criterion to become a Member of the Association is to hold title to a Lot within Plantation Lakes. This is not to imply that any holder of a mere security interest (such as a mortgagee, or holder of any other lien against property) would be a Member, unless that holder of the security interest foreclosed and thereby became the Owner of the Lot(s). Membership is appurtenant to and runs with the land. Membership is not severable as an individual right and cannot be separately conveyed to any party or entity. Multiple owners of any single Lot must vote in agreement (under any method they devise among themselves), but in no case shall such multiple Owners cast portions of votes. The vote attributable to any single Lot must be voted in the same manner (i.e. all votes for, or all votes against a particular issue).

All duties and obligations set forth in this Declaration are the responsibility of each Member. No waiver of use of rights of enjoyment created by this Declaration shall relieve Members or their successors or assigns of such duties or obligations. Mandatory membership

shall begin with the execution of this Declaration and pass with title to the land (regardless of any method of conveyance) to any subsequent grantee, successor, or assignee of Members.

In consideration for payment of Assessments, all Owners of Lots in Plantation Lakes and subsequently annexed sections if any, shall have the right to the use and enjoyment of recreational facilities in Plantation Lakes.

C. Voting Rights

The Association shall have two classes of membership, Class A and Class B, as follows:

1. Class A Membership

Class A Members shall be all Members with the exception of Class B Members, if any. Each Class A Member's voting rights shall be based on the number of Lots and shall be determined as follows:

One (1) vote shall be granted to Class A Members for each Lot owned.

2. Class B Membership

Class B Members shall include the Declarant and such Owners as the Declarant may, in its sole discretion, confer Class B Membership status upon. Each Class B Member's voting rights shall be based on the number of Lots owned, and shall be determined as follows:

Ten (10) votes per platted Lot shall be granted to Class B Members.

Declarant shall retain its Class B membership and retain control and authority to appoint all members of the Board of Directors of the Association until the earlier to occur of the following:

1. Declarant has sold one hundred percent (100%) of the platted lots, or
2. The Declarant desires to release such control and authority to the Association as evidenced by an instrument recorded in the Real Property Records of Waller County, or
3. January 1, 2029.

At such time, any remaining Class B Members shall be converted to Class A Members and elections shall be held to elect the Members of the Board of Directors of the Association pursuant to the provisions of the Articles of Incorporation and the By-Laws of the Association.

D. Voting Procedures

Class A and Class B members shall exercise their votes as set out in the By-Laws.

ARTICLE V. EFFECTIVE DATE OF DECLARATION

This Declaration shall be effective as of the date this document is recorded in the Real Property Records of Waller County, Texas.

ARTICLE VI. USE RESTRICTIONS

A. Residential Uses Permitted

Homesites within Plantation Lakes shall be used exclusively for single-family residential purposes. The term "Single Family" as used herein shall refer not only to the architectural design of the Dwelling but also to the permitted number of inhabitants, which shall be limited to a single family, as defined below. Single Family shall mean the use of, and improvement to, a Lot with no more than one building designed for and containing facilities for living, sleeping, cooking, and eating therein. In no case may a Lot contain more than one Dwelling. No multi-family Dwellings may be constructed on any Residential Lot. No building, outbuilding or portion thereof shall be constructed for income property, such that tenants would occupy less than the entire Lot and/or Homesite. It is permitted for tenants to lease a residence in Plantation Lakes, so long as tenants are leasing the entire land and improvements comprising of Homesite.

It is not the intent of this provision to exclude from a lot any individual who is authorized to so remain by any state or federal law. If it is found that this definition is in violation of any law, then this provision shall be interpreted to be as restrictive as possible to preserve as much of the original provision as allowed by law.

B. Non-Permitted Uses

1. No trade or business may be conducted in or from any Dwelling or Homesite, except that residential use within a Dwelling so long as (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Dwelling; (b) the business activity conforms to all zoning requirements and other restrictive covenants applicable to the Property; (c) the business activity does not involve visitation of the Dwelling or Homesite by clients, customers, suppliers or other business invitees or door-to-door solicitation of residents of Plantation Lakes; and (d) the business activity is consistent with the residential character of the Property and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of Plantation Lakes, as may be determined in the sole discretion of the Board. A day-care facility, home day-care facility, church, nursery, pre-school, beauty parlor, or barber shop or other similar facility is expressly prohibited.

The terms "business" and "trade" as used in this provision shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis that involves the manufacture or provision of goods for or to persons other than the provider's family, regardless of whether: (i) such activity is engaged in full or part-time; (ii) such activity is intended to or does not generate a profit; or (iii) a license is required therefor. Notwithstanding the above, the leasing of a Dwelling shall not be considered a trade or business within the meaning of this Section. This Section does not apply to any activity conducted by the Declarant or by a builder with approval of the Declarant with respect to its development and sale of the Property.

No business vehicles displaying commercial signs or advertising, unless owned by or used as a work-related vehicle by the Owner of the Lot, shall be permitted to be parked within public view in residential sections of Plantation Lakes, other than service vehicles contracted by owners of Homesites to perform specific services. No vehicles with more than two axles shall be permitted to be parked or stored for a period in excess of forty-eight (48) hours per week in a residential section of Plantation Lakes, without

prior written permission of the Association, whose approval will be issued at its sole and absolute discretion.

2. Unless otherwise provided herein, no livestock, domestic or wild animals, nor plants or crops shall be raised on any Homesite or the Property for the purpose of breeding or selling same, whether for profit or not, except one (1) horse per acre and three (3) cows may be raised on a Homesite; provided, however, in no case shall more than five (5) animals (excluding household pets) be kept or raised on a Lot, except if any member of an Owner's family is under the age of 19, resides with the Owner and is a bona fide member of a 4-H livestock club or the Future Farmers of America ("Farmer Member"), then so long as it is permissible under local, state, or federal law, such Owner shall be permitted to have three (3) animals for each Farmer Member residing with such Owner for the purpose of raising the animal(s) for competition(s) and/or projects and the limitation of five (5) animals set forth above, shall not apply to such Owner. Exchange of such animals, plants or produce for anything of value to the seller shall constitute a sale of the merchandise and therefore is prohibited under this provision. Owners who raise and/or keep 4-H livestock projects and/or horse(s) on a Homesite must maintain the Homesite so it does not appear to be in an unclean or untidy condition due to the placement, existence or raising of such animals on the Homesite; Owner shall also prevent and/or maintain the Homesite so no foul or obnoxious odors exist on the Homesite or cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding Homesites due the placement, existence or raising of such animals on the Homesite.

4-H livestock projects and/or horse(s) must be kept in a stable and/or barn constructed or placed on a Homesite in accordance with this Declaration. A single stable, for the housing of horses only, and a single barn, for the housing of 4-H livestock projects may be erected and maintained by an Owner at the Owner's expense. The size and appearance of the stable and/or barn is subject to reasonable Rules and Regulations, Builder Guidelines, or restrictions promulgated by the Association or Declarant.

The Declarant and/or the Association shall not be responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of the stable or

barn. At no time shall the stable and/or barn be used to house any animals other than horses or 4-H livestock projects, respectively, including but not limited to, household pets such as dogs or cats, or any type of hazardous material. General maintenance of the stable and/or barn area will be the obligation of the Owner and the costs for maintenance of stables and/or barns shall be the obligation of the Owners of the stable(s) and/or barn(s).

Each Owner and occupant of any Lot and each tenant, guest and invitee of an Owner, as applicable, acknowledges and understands that the Association, its Board of Directors, Declarant or any successor declarant are not insurers and that each Owner and occupant of any Lot and each tenant, guest and invitee of any Owner assumes all risks for loss or damage to persons, and further acknowledges that the Association, its Board of Directors, Declarant or any successor declarant have made no representations or warranties nor has any Owner, occupant, tenant, guest or invitee relied upon any representations or warranties, expressed or implied as to the safety of any and all stables and/or barns. Each Owner and occupant of any Lot and each tenant, guest and invitee of an Owner hereby agrees to indemnify and hold harmless the Association, its Board of Directors, Declarant or any successor declarant for all loss or damage to persons or property resulting from the use of and/or entry upon any and all stables and/or barns.

In the event any Owner of any Homesite who has placed a stable and/or barn on the Owner's Homesite fails to maintain the stable and/or barn, including the exterior of the stable and/or barn or the general stable and/or barn area, in a manner that, in the sole opinion of the Board, constitutes a nuisance, the Association, after thirty (30) days' notice to the Owner of the Homesite setting forth the action intended to be taken by the Association and after approved by a two-thirds (2/3) vote of the Board of Directors, shall have the right, but not the obligation, through its agents, contractors and/or employees, to enter upon said Homesite and to repair, maintain, or restore the stable, barn, or the area surrounding such stable or barn at the Owner's expense.

Neither the Association nor its agents, contractors, or employees shall be liable, and are expressly relieved from any liability, for trespass or other tort in connection with the performance of the maintenance of the stable and/or barn or other work authorized in this Article. The cost of such maintenance, repair, clean up and other work shall be the personal

obligation of the Owner of the Homesite on which it was performed and shall become part of the Assessment payable by the Owner and secured by the lien retained in the Declaration. Alternately, the Association or any Owner of a Homesite may bring an action at law or in equity to cause the Owner to bring said Homesite into compliance with these restrictions.

B. Parking and Prohibited Vehicles

Unless otherwise provided herein, no motor vehicles or non-motorized vehicle, boat, trailer, marine craft, recreational vehicle, camper rig off of truck, hovercraft, aircraft, machinery or equipment of any kind may be parked or stored on any part of any Lot, easement or right-of-way, unless such vehicle or object is completely concealed from public view inside a garage or enclosure approved by the ARC. Passenger automobiles, passenger vans, motorcycles, tractors (or similar vehicles), recreational vehicles, campers, boats or pick-up trucks that: (a) are in operating condition; (b) as qualified by current vehicle registration and inspection stickers;; and (c) have no commercial advertising located thereon, unless otherwise provided in Section B(1) hereof, may be parked in the driveway on a Lot, however, no vehicle shall be parked so as to obstruct or block a sidewalk or be parked on a grassy area. The restriction concerning commercial advertising shall not apply to any vehicles, machinery, or equipment temporarily parked and in use for the construction, repair or maintenance of a house or houses in the immediate vicinity. Storage of any vehicles in the street is prohibited. Storage shall mean the parking of a vehicle in a street for more than seven (7) days in any calendar month.

Parking of any vehicle other than in a driveway or within an enclosed garage of a Homesite or other paved area provided for parking, or within an Owner's Lot is expressly prohibited.

C. Screening

No Member or occupant of any portion of the Property shall permit the keeping of articles, goods, materials, utility boxes, refuse, trash, storage tanks, or like equipment on the Property which may be considered a nuisance or hazard in the sole opinion of the Board of Directors. Air conditioners, garbage containers, antennas to the extent reasonably possible and pursuant to Article VI, Section K. Antennas, or like equipment, shall not be kept in the open, exposed to public view, or exposed to view from adjacent Homesites. Air conditioners, utility

boxes, garbage containers, and antennas to the extent reasonably possible and pursuant to Article VI, Section K. Antennas, or like equipment must be screened from view and placed in a location first approved in writing by the ARC. Such screen shall be of a height at least equal to that of the materials or equipment being stored, but in no event shall such screen be more than six feet (6') in height. Added screening must also be provided to shield such stored materials and equipment from grade view from adjacent Dwellings. Utility boxes must be screened so that they are not visible from the street and as may be set out in the Builder Guidelines. A combination of trees, hedges, shrubs or fences should be used as screening material, as same may be set out in the Builder Guidelines. All screening designs, locations, and materials are subject to prior ARC approval. Any such screening installed must be maintained in a clean and neat manner at all times, and may not detract from the appearance of the Property.

D. Outside Storage and Trash Collection

No equipment, machinery, or materials of any kind or nature shall be stored on any Homesite forward of the fence at the front wall of the house situated thereon, unless the equipment, machinery or materials is being used temporarily (not more than one week) and is incident to repair or construction of the Dwelling or Homesite. All equipment, machinery, and materials shall be properly stored out of sight of every other Homesite immediately after use of such item, and all trash, debris, excess, or unused materials or supplies shall likewise be disposed of immediately off of the Homesite, or stored out of view until trash collection occurs.

Trash may only be placed outside for collection the evening before collection. Such trash must be contained to protect from animals or spillage and trash cans must be removed from sight the same evening of collection.

E. Notices and Easements

1. Utilities and General

There are hereby reserved unto Declarant, so long as the Declarant owns any Property, the Association, and the designees of each (which may include, without limitation, Waller County and any utility) access and maintenance easements upon, across, over, and under all of the Property to the extent reasonably necessary for the purpose of replacing, repairing, and maintaining any or all of the following which may

exist now or in the future: cable television systems, master television antenna systems, monitoring and similar systems, roads, walkways, bicycle pathways, wetlands, drainage systems, street lights, signage, and all utilities, including, but not limited to, water, sewers, meter boxes, telephone, gas, and electricity, and for the purpose of installing any of the foregoing on Property that Declarant owns or within easements designated for such purposes on recorded plats of the Property. Notwithstanding anything to the contrary herein, this easement shall not entitle the holders to construct or install any of the foregoing systems, facilities, or utilities over, under or through any existing Dwelling; any damage to a Homesite resulting from the exercise of this easement shall promptly be repaired by, and at the expense of, the person or entity exercising the easement. The exercise of this easement shall not unreasonably interfere with the use of any Homesite.

Without limiting the generality of the foregoing, there are hereby reserved for the local water supplier, electric company, cable company and natural gas supplier easements across all the Common Areas for ingress, egress, installation, reading, replacing, repairing and maintaining utility meters boxes, installation equipment, service equipment, and any other device, machinery or equipment necessary for the proper functioning of the utility; however, the exercise of this easement shall not extend to unauthorized entry into the Dwelling on any Homesite, except in an emergency. Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, or other utilities may be installed or relocated on the Property, except as may be approved by the Board of Directors or Declarant.

2. Easements for Green Belt, Pond Maintenance, Flood Water and Other Landscape Reserves

Declarant and Association reserve for themselves and their successors, assigns and designees the non-exclusive right and easement, but not the obligation, to enter upon the green belts, and other landscape reserves, ponds, and other bodies of water located within the Property (a) to install, keep, maintain and replace pumps in order to obtain water for the irrigation of any of the Common Area, (b) to construct, maintain and repair any fountain, wall, dam, or other structure retaining water therein, and (c) to remove trash and other debris and fulfill their maintenance responsibilities as provided in this

Declaration. Declarant's rights and easements hereunder shall be transferred to the Association at such time as Declarant shall cease to own Property subject to the Declaration, or such earlier time as Declarant may decide, in its sole discretion, and transfer such rights by a written instrument. The Declarant, the Association, and their designees shall have an access easement over and across any of the Properties abutting or containing any portion of any of the green belts, ponds, or other bodies of water to the extent reasonably necessary to exercise their rights and responsibilities under this Section.

There is further reserved, for the benefit of Declarant, the Association, and their designees, a perpetual, non-exclusive right and easement of access and encroachment over Common Areas and Homesites (but not the Dwellings thereon) extending from the rear Lot line of Lots bordering any ponds or other bodies of water a distance of sixteen feet (16') in order: (a) to temporarily flood and back water upon and maintain water over such portions of the Property; (b) to fill, drain, dredge, deepen, clean, fertilize, dye and generally maintain the ponds, or other bodies of water within the Common Areas; (c) to maintain and landscape the slopes and banks pertaining to such ponds or other bodies of water; and (d) to enter upon and across such portions of the Property for the purpose of exercising rights under this Section. All persons entitled to exercise these easements shall use reasonable care in, and repair any damage resulting from, the intentional exercise of such easements. Nothing herein shall be construed to make Declarant or any other person or entity liable for damage resulting from flood due to hurricanes, heavy rainfall, or other natural disasters.

3. Easements to Serve Additional Property

The Declarant and Association and its duly authorized agents, representatives, and employees, as well as its designees, successors, assignees, licensees and mortgagees, shall have and there is hereby reserved an easement over the Common Areas for the purposes of enjoyment, use, access and development of any annexed property, whether or not such Property is made subject to this Declaration. This easement includes but is not limited to a right of ingress and egress over the Common Areas for construction of roads and for tying in and installation of utilities on any annexed property.

Declarant agrees that if an easement is exercised for permanent access to any annexed property and such property or any portion thereof is not made subject to this Declaration, the Declarant, its successors, or assigns shall enter into a reasonable agreement with the Association to share the cost of maintenance to any access roadway serving the property. Such agreement shall provide for sharing of costs based on the ratio that the number of Dwellings or buildings on that portion of the property that is served by the easement and is not made subject to this Declaration bears to the total number of Dwellings and buildings within the Properties and on such portion of the property.

4. Monuments and Fences

The Association is hereby granted an easement to place, maintain and repair a monument or marker at any entrance to Plantation Lakes.

Fencing may be installed on Lots that abut green belts, lakes, ponds, and other landscaping reserves. Notwithstanding the foregoing, the Association, and the Declarant (for so long as the Declarant owns property that is or may be subjected to this Declaration) may use and regulate the use of any ponds or other bodies of water within Plantation Lakes for the irrigation of the Common Areas, for any other purpose deemed appropriate by the Board or Declarant, subject to the terms of any easement agreement affecting such use. The Declarant's rights under this Section shall be superior to any rights of the Association.

ARTICLE VII. ARCHITECTURAL RESTRICTIONS

A. Architectural Review Committee - "ARC"

The initial ARC shall be composed of three (3) individuals designated by Declarant, one of whom may be designated as representative to act on behalf of the ARC. The Declarant reserves the right to appoint replacements as necessary by reason of resignation, removal or incapacity. The Declarant shall retain the right of ARC appointment until the first to occur of the following::

1. the Declarant no longer owns any Lots in Plantation Lakes, or
2. the Declarant so desires to relinquish its authority over ARC appointment, or
3. January 1, 2029.

At such time, the Board of Directors of the Association shall have the right to replace such ARC members by duly appointing three Owners in good standing with the Association. The Board of Directors reserves the right to appoint replacements as necessary by reason of resignation, removal or incapacity. Such removal and/or appointment shall be at the sole discretion of the Board of Directors.

The Board of Directors shall have the right to review any action or non-action taken by the ARC and shall be the final authority.

At any time prior to the happening of (1), (2), or (3) above, the Declarant may, without obligation, assign to the Board of Directors the responsibility for review and approval of modifications to existing Dwellings.

The ARC shall have the right, but not the obligation, to promulgate Building Guidelines and/or Architectural Guidelines as to construction types and aesthetics as set by the ARC, which may be changed at any time by the ARC without notice to the Owners.

B. ARC Approval Required

No buildings, hardscape, additions, modifications or improvements shall be erected, placed or performed on any Homesite until the construction plans and specifications including, but not limited to, the site plan, design development plan, and exterior plan have been submitted

in duplicate to and approved in writing by the ARC as hereinafter provided. Builder may submit their design plans as master design plans, which plans shall include all specifications, including specifications as to brick color and paint color, that may be used when building each design. The ARC or Board of Directors may, at their sole discretion, retain and/or delegate review of plans and specifications to a designated AIA architect or other such person or firm as may be designated by the Board of Directors, experienced or qualified to review same, who may then render an opinion to the ARC or Board of Directors. Approval of plans and specifications shall not cover or include approval for any other purpose and specifically, but without limitation, shall not be construed as any representation as to or responsibility for the structural design or engineering of the improvement or the ultimate construction thereof. In the event the ARC fails to approve such plans and specifications within thirty (30) days after the receipt thereof, they shall be deemed to be disapproved. The ARC or its assignee, at its sole discretion and to the extent wherein not expressly prohibited by this Declaration and any amended or Supplemental Amendment, is hereby permitted to approve in writing deviations in the general use restrictions set forth in Article VI in instances where, in its judgment, such deviations will result in a more common beneficial use and enhance the overall development plan for the Property. The approval of a deviation in the general use restrictions by the ARC does not obligate the ARC to approve a similar deviation at a later time. Notwithstanding any other provision contained herein, any Dwellings, additions, or improvements erected or placed on any Homesite shall be deemed to comply with the building requirements of the ARC and related covenants contained in the Declaration unless the ARC so notifies the Owner otherwise in writing within four (4) years from the completion thereof. This provision, however, shall not be deemed a waiver of the right of the ARC or Declarant to enforce the continuing restriction of use contained herein.

The ARC shall have the authority hereunder to require any Owner or Owner's agents or contractors to cease and desist in constructing or altering any improvements on any Homesite, where such actions have not first been reviewed and approved, constitute a violation of the Declaration, the Building Guidelines or any other documents promulgated by the ARC. The violating Owner shall remove such violating improvements or sitework at its sole expense and without delay, returning same to its original condition or bringing the Homesite into compliance with the Declaration, ARC documents and any plans and specifications approved by the ARC for construction on that Homesite. If an Owner proceeds with construction that is not approved by

the ARC, or that is a variance of the approved plans, the Association may assess fines as provided in Article XV, Section F and may continue to assess such fines until ARC approval is granted or the violation is removed. This Declaration is notice of such liability for violation and Owners hereby agree to bear the cost and expense to cure any violations according to this provision, regardless of the substantial cost, time or loss of business involved.

Written notice may be delivered to Owner or any agent or contractor with apparent authority to accept same and notice shall be binding on Owner as if actually delivered to Owner.

The ARC or its agents or assigns shall have the right, but not the obligation, to enter any Homesite to determine if violations of this Declaration, the Building Guidelines, or any other documents promulgated by the ARC exist. In so doing, the ARC shall not be subject to any liability for trespass, other tort or damages in connection with or arising from such entry nor in any way shall the Association or its agent be liable for any accounting or other claim for such action.

The ARC shall have the right to set reasonable time constraints for both the commencement and completion of construction, which constraints shall be no less than ninety (90) days to commence construction and nine (9) months to complete construction. If construction fails to start before the designated commencement date or is not completed before the designated completion date the plans shall be deemed not approved.

The ARC has the right to charge a review fee, to be established by the Board of Directors, for review of any plans or specifications submitted for approval to the ARC.

C. Building Setbacks

No Dwelling or other structure shall be erected nearer to any street or property line than that allowed by the applicable plat or other recorded documents, provided that a minimum rear setback equal to at least twenty-five feet (25') or the rear utility easement as shown on the applicable plat of the Property shall be observed on all Lots; and, provided further that at least a minimum twenty-five foot (25') side setback shall be observed on all Lots, except in the case of Lot 8, where the side set back for the western Lot line of Lot 8 shall be at least seventy-five feet

(75'). Detached garages and driveways shall be permitted to be placed within a setback as approved by the ARC.

D. Landscaping

All open, unpaved space in the front and at the sides of a Homesite, shall be planted and landscaped. Landscaping in accordance with the plans approved by the ARC must be installed prior to occupancy of any Dwelling constructed on the Property.

E. Grading and Drainage

Topography of each and every Homesite must be maintained with proper grading and drainage systems such that runoff of water (rain or other precipitation, or manmade irrigation) does not cause undue erosion of the subject Homesite itself or any other Homesites, whether adjacent to the subject Homesite or not, or the Common Areas. Owners causing (either directly or indirectly) erosion or other incident damage to personal or real property due to inadequate or defective grading or drainage measures on their own Homesite, or because of excess runoff shall be liable to all such damaged parties for the replacement, repair and/or restoration of such damaged real or personal property.

Owner shall be responsible for ensuring that all local, state and federal rules and regulations regarding drainage and run-off are met.

F. Temporary Structures

Temporary Structures may only be erected on undeveloped Property by builders or the Declarant with the prior approval of the ARC. Even temporary structures shall be maintained in good condition and all construction debris shall be contained to the site. Time limitations for such structures are limited to the period of active and exclusive construction and sales within Plantation Lakes.

G. Garages

Dwellings must at all times have either attached or detached garages capable of housing a minimum of two (2) full size vehicles. Garages are required to maintain fully operational

overhead doors which are in good condition at all times. No garages may be used for a living area.

H. Minimum Square Footage

All one-story Dwellings must contain a minimum of one thousand six hundred (1,600) square feet of living area which shall not include porches, garages or non-air conditioned areas. All two-story Dwellings must contain a minimum of two thousand two hundred (2,200) square feet of living area (with the second floor containing at least six hundred (600) square feet of living area) which shall not include porches, garages, or non-air conditioned area.

ARTICLE VIII. MAINTENANCE

A. General Maintenance

Each Owner shall maintain and keep in good repair his or her Dwelling and all structures, parking areas and other improvements, including mail box, driveway and its apron portion forward of the building line comprising the Homesite. All structures and other improvements designed to be painted must be kept painted and the paint may not be allowed to become faded, cracked, flaked or damaged in any manner. Grass, vegetation and weeds on each Homesite shall be cut as often as may be necessary to maintain the same in a neat and attractive condition. Grass growing onto or over sidewalks, driveways, and curbs shall be presumed to be unattractive.

B. Landscaping

In the event any Owner of any Homesite within the Property fails to maintain the landscaping, grass or vegetation of a Homesite in a manner consistent with the overall standard established within the Property and satisfactory to the Board of Directors of the Association, the Association, after ten (10) days' notice to the Owners of the Homesite setting forth the action intended to be taken by the Association and after approval by a two-thirds (2/3) vote of the Board of Directors, shall have the right but not the obligation, through its agent, contractors and/or employees, to enter upon said Homesite and to maintain, cut, trim and/or restore such landscaping, grass or vegetation at the Owner's expense.

C. Dwelling Exterior

In the event any Owner of any Homesite fails to maintain the exterior of the Homesite, including the exterior of the Dwelling or other structures and the parking areas, stable, and/or barn, if constructed, in a manner consistent with the overall standard established within the Property as solely determined by the Board of Directors of the Association, the Association, after thirty (30) days' notice to the Owner of the Homesite setting forth the action intended to be taken by the Association and after approved by a two-thirds (2/3) vote of the Board of Directors, shall have the right, but not the obligation, through its agents, contractors and/or employees, to enter upon said Homesite and to repair, maintain, or restore the exterior of the Dwelling, sidewalks, stable, barn, other structure or parking areas at the Owner's expense.

D. Other Hazards

To the extent necessary to prevent rat infestation, diminish fire hazards and/or diminish hazards caused by structural damage, the Association shall have the right, but not the obligation, through its agents, contractors and/or employees, to enter any unoccupied Dwelling, or other improvement located upon such Homesite, without notice to take the action necessary to prevent such rat infestation, diminish such fire hazards or diminish hazards caused by structural damage at the Owner's expense.

E. Liability, Cost and Approval

Neither the Association nor its agents, contractors, or employees shall be liable, and are expressly relieved from any liability, for trespass or other tort in connection with the performance of the exterior maintenance, landscaping or other work authorized in this Article. The cost of such exterior maintenance, interior hazard diminution and other work shall be the personal obligation of the Owner of the Homesite on which it was performed and shall become part of the Assessment payable by the Owner and secured by the lien retained in the Declaration. Alternately, the Association or any Owner of a Homesite may bring an action at law or in equity to cause the Owner to bring said Homesite into compliance with these restrictions.

All Members' replacement, repair and restoration practices as to the improvements on Property within Plantation Lakes are subject to the prior approval of the ARC and must comply

with all Builder and/or Architectural Guidelines which may change from time to time, as found necessary and appropriate in the ARC's sole discretion.

ARTICLE IX. STANDARDS AND PROCEDURES

The ARC may establish and promulgate the Building Guidelines and/or Architectural Guidelines, which the ARC may modify or amend as it deems necessary and appropriate for the orderly development of the Property and Plantation Lakes, including, but not limited to, those portions of the Building Guidelines regarding workmanship, materials, building methods, living area square footage, observance of requirements concerning installation and maintenance of public utility facilities and services, and compliance with governmental regulations. The Building Guidelines may be amended by the ARC without notice, but they shall not be applied retroactively to reverse a prior approval granted by the ARC or the Association to any Owner or prospective purchaser of any Homesite. The rules, standards, and procedures set forth in the Building Guidelines, as same may be amended from time to time, shall be binding and enforceable against each Owner in the same manner as any other restriction set forth in this Declaration.

ARTICLE X. VARIANCES

The Board, upon the recommendation of the ARC, or its duly authorized representative, may authorize variances from compliance with any of the architectural provisions of this Declaration, any amendment, Supplemental Amendment, Builder Guideline, or Architectural Guidelines, unless specifically prohibited, including restrictions upon height, size, placement of structures, or similar restrictions, when circumstances such as topography, natural obstruction, hardship, aesthetic, or environmental considerations may require. Such variances must be evidenced in writing; must be approved by at least a majority of the Board, and shall become effective upon execution of the variances which variance shall be signed by a member of the Board. If such variances are granted, no violation of the covenants, conditions, or restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular

provision hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all applicable governmental laws and regulations.

No granting of a variance shall be relied on by any Member or Owner, or any other person or entity (whether privy or party to the subject variance or not), as a precedent in requesting or assuming variance as to any other matter of potential or actual enforcement of any provision of this Declaration. Action of the ARC or Board of Directors in granting or denying a variance is a decision based expressly on one unique set of circumstances and need not be duplicated for any other request by any party or the same party for any reason whatsoever.

ARTICLE XI. LIMITATION OF LIABILITY

Neither Declarant, the Association, the ARC, the Board, nor any of the respective officers, managers, partners, directors, members, successors or assigns of the above, shall be liable in damages or otherwise to anyone who submits matters for approval to any of the above-mentioned parties, or to any Owner affected by this Declaration by reason of mistake of judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any matters requiring approval hereunder. Approval by the ARC, the Board, or the Association, nor any of their respective officers, partners, directors, agents, managers, members, successors or assigns, is not intended as any kind of warranty or guarantee as to the integrity or workability of the plans nor the contractors used.

ARTICLE XII. ASSESSMENTS

A. Creation of the Lien and Personal Obligation of Assessments

The Owners of any Lot or Homesite, by virtue of ownership of Property within Plantation Lakes, covenant and agree to pay to the Association:

1. Annual Assessments; and
2. Special Assessments

The Annual, and Special Assessments together with attorney's fees, interest and costs shall be a charge and continuing lien upon the Homesite and Lot against which each such assessment is made. Each such assessment, together with attorney's fees, interest and costs, shall also be the personal obligation of the person or entity who was the Owner of the land at the time

when the assessment became due. The personal obligation for delinquent assessments shall not pass to successors in title unless expressly assumed by them.

B. Purpose of Assessments

Annual and Special Assessments levied by the Association shall be used for any legal purpose for the benefit of Plantation Lakes as determined by the Association and, in particular, may, by way of example and not limitation or obligation, include maintenance, repair or improvement of any Common Area, sidewalks, fountains, parkways, private streets and roads, boulevards, esplanades, setbacks and entryways, patrol service, fire protection, emergency medical service, street cleaning, street lighting, mosquito control, other services as may be in the Property's and Owner's interest and for promotion of the recreational interests of the Members which may include payment for recreational improvements on recreational sites, reserves and/or Common Area. Parkway, fountains, private streets, roads, esplanades, setbacks and entryways that are not contained in any Common Area may be included in the Association's maintenance if, in the sole discretion of the Board, the maintenance of such areas benefits the Association's Members. Such share agreements for maintenance and improvement shall require the consent of a majority of the total number of directors of the Association. Additionally, assessments levied by the Association may be used, in the sole discretion of the Association, to pay the Association's fair allocation for maintenance costs for the participation in any agreement among other property owners associations (whether residential, multi-family, commercial or mixed use) in the area and for consolidated programs that provide consistency and economics of scale. Approval to enter such agreements shall require a majority vote of the Board.

C. Annual Assessment

The Property shall be subject to the Annual Assessment, as follows:

1. Creation

Payment of the Annual Assessment shall be the obligation of each Owner and the Declarant and shall constitute a lien on the Homesite, or Lot(s), binding and enforceable as provided in this Declaration.

2. Rate VOL 1096 PAGE 318

The initial Annual Assessment established by the Association shall not exceed One Hundred Fifty and 00/100 Dollars (\$150.00) per Lot. Declarant shall elect annually in writing to either subsidize the approved budget for the subsequent year by paying the difference between the total approved budget for the year less the total amount due by Class A Members, or elect to pay assessments at the rate of fifty percent (50%) of the amount assessed other Class A Members for each Lot owned. Declarant is required to provide written notice to the Board each year by September 1 of the elected option. Failure to provide such written notice will result in Declarant being billed in the manner of the last option taken by Declarant. A Builder shall only be responsible to pay fifty percent (50%) of the assessment of other Lot Owners, for the period of time that the Builder owns a Lot.

3. Commencement

For purposes of calculation, the initial Annual Assessment shall commence on the first day of the first month following the date of the first sale of a Lot to a resident. Annual Assessments shall be due in advance on January 1 for the coming year and shall be delinquent if not paid in full as of January 31 of each year.

4. Proration

An Owner's initial Annual Assessment shall be made for the balance of the calendar year as determined on a pro-rata basis and shall become due and payable on the commencement date described above. The Annual Assessment for any year after the first year shall be due and payable on the first day of January. Any owner who purchases a Lot or Lots after the first day of January in any year shall be personally responsible for a pro-rated assessment amount for that year.

5. Levying of the Assessment

The Annual Assessment shall be levied at the sole discretion of the Board. The Board shall determine the sufficiency or insufficiency of the then current Annual Assessment to reasonably meet the expenses for providing services and capital

improvements in Plantation Lakes and may, at its sole discretion and without a vote by the Members, increase the annual Assessment in an amount up to ten percent (10%) over the previous year's Annual Assessment. The Annual Assessment may only be increased by more than ten percent (10%) over the preceding year's assessment if such increase is approved by Members in good standing who represent a majority of the votes in Plantation Lakes present at a meeting called for said purpose at which a quorum is present in person or by proxy. The Annual Assessment shall not be adjusted more than once in a calendar year nor shall any increase be construed to take effect retroactively, unless otherwise approved by Members representing a majority of the votes subject to such assessments present at a meeting called for said purpose at which a quorum is present in person or by proxy.

D. Special Assessments for Capital Improvements

In addition to the Annual Assessments authorized above, the Association may levy a Special Assessment applicable to that year only for the purpose of defraying in whole or in part the cost of any construction, reconstruction, repair or replacement of a capital improvement in the Common Area or any unusual, infrequent expense benefiting the Association, provided that any such assessment shall have the approval of both a majority of the Class A Members and a majority of the Class B Members present at a meeting duly called for this purpose at which a quorum is present. Such Special Assessments will be due and payable as set forth in the resolution authorizing such assessment and shall be levied only against those Owners subject to the Annual Assessment as set forth in Section C hereof and shall be pro rated in accordance therewith. The Association, if it so chooses, may levy a Special Assessment against only those Members benefited by or using the capital improvement for which the Special Assessment is being levied. Special Assessments shall be due upon presentment of an invoice, or copy thereof, for the same to the last-known address of the Owner.

E. Collection and Remedies for Assessments

1. The assessments provided for in this Declaration, together with attorneys' fees, interest and costs as necessary for collection, shall be a charge on and a continuing lien upon the land against which each such assessment is made. Each such assessment,

together with attorney's fees, interest and costs, shall also be the personal obligation of the Owner of the land at the time the assessment became due. This personal obligation for delinquent assessments shall not pass to successors in title unless expressly assumed by them.

2. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the lesser of (1) eighteen percent (18%) or (2) the maximum non-usurious rate of interest. No Owner may waive or otherwise escape liability for the assessments provided for in this Declaration by reason of non-use or abandonment.

3. In order to secure the payment of the assessments hereby levied, an assessment lien is hereby reserved in each deed from the Declarant to the Owner of each parcel of Property in Plantation Lakes, which lien may be foreclosed upon by non-judicial foreclosure pursuant to the provisions of Section 51.002 of the Texas Property Code (or any successor statute); each Owner grants a power of sale to the Association to sell such property upon default in payment by any amount owed. Alternatively, the Association may judicially foreclose the lien or maintain an action at law to collect the amount owed.

The President of the Association or his or her designee is hereby appointed Trustee to exercise the Association's power of sale. Trustee shall not incur any personal liability hereunder except for his or her own willful misconduct.

Although no further action is required to create or perfect the lien, the Association may, as further evidence give notice of the lien, by executing and recording a document setting forth the amount of the delinquent sums due the Association at the time such document is executed and the fact that a lien exists to secure the repayment thereof. However the failure of the Association to execute and record any such document shall not, to any extent, affect the validity, enforceability, or priority of the lien. The Association shall also have the right but not the obligation to notify a delinquent Owner's lender, in writing, of such Owner's delinquency and default.

In the event the Association has determined to non-judicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 (or any successor statute) and to exercise

the power of sale hereby granted, the Association shall mail to the defaulting Owner a copy of the Notice of Trustee's Sale no less than twenty one (21) days prior to the date of the proposed foreclosure sale, postage prepaid, registered or certified mail, return receipt requested, properly addressed to such Owner at the last known address of such Owner according to the records of the Association or by hand delivery. At any foreclosure proceeding, any person or entity, including but not limited to the Declarant, Association or any Owner, shall have the right to bid for such Property at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same. During the period Property is owned by the Association following foreclosure, 1) no right to vote shall be exercised on its behalf; and, 2) no assessment shall be levied on it. Out of the proceeds of such sale, there shall be paid all expenses incurred by the Association in connection with such default, including attorneys' fees and trustee's fees; second, from such proceeds there shall be paid to the Association an amount equal to the amount of assessments in default inclusive of interest, late charges and attorneys' fees; and, third, the remaining balance, if any, shall be paid to such Owner. Following any such foreclosure, each occupant of any such Lot foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant-at-sufferance and may be removed from possession by any lawful means.

F. Subordination of the Lien to First Mortgages

The lien for assessments, including interest, late charges, costs and attorney's fees, provided for herein shall be subordinate to the lien of any first mortgage on any Lot or Homesite. The sale or transfer of any Lot or Homesite shall not affect the assessment lien. The sale or transfer shall not relieve such Lot or Homesite from lien rights for any assessments thereafter becoming due. Where the mortgagee holding a first mortgage of record or other purchaser of a Lot or Homesite obtains title pursuant to judicial or non-judicial foreclosure of the mortgage, it shall not be liable for the share of the assessments or other charges by the Association chargeable to such Lot or Homesite that became due prior to such acquisition of title. However, from the date of foreclosure forward, such assessments shall again accrue and be payable to the Association.

G. Exempt Properties

All properties dedicated to any accepted use by a municipal county, federal, or other governmental authority and all properties owned by charitable or non-profit organizations that are exempt from taxation by federal laws shall be exempt from the assessments created herein and the Owners thereof shall have no voting rights with respect thereto.

H. Notice of Delinquency

The Association or its agent or designee shall be required to give a written notice of the assessment to any Owner who has not paid an assessment that is due under this Declaration. Such notice must be mailed to the Owner's last known address. The address of the Lot, Homesite or Building Site shall be presumed to be the address for proper notice unless written notice of another address shall be provided by the Owner to the Association.

ARTICLE XIII. MODIFICATION AND TERMINATION OF COVENANTS

This Declaration may be amended, modified, or terminated by the filing of a recorded instrument executed by the Association or its legal representatives, successors or assigns. So long as Class B membership exists, approval of two-thirds (2/3) of the combined total votes of Class A and Class B Membership shall be required to amend, modify or terminate this Declaration. However, the Declarant may unilaterally amend this Declaration at any time without the joinder or consent of any Owners, entity, Lender or other person to amend this Declaration if such amendment is (a) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation, or judicial determination; (b) necessary to enable any reputable title insurance company to issue title insurance coverage on Lots and Homesites; (c) required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on the Lots or Homesites; (d) necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on Lots or Homesites; or (e) for the purpose of clarifying or resolving any ambiguities or conflicts herein, or correcting any inadvertent misstatements, errors or omissions herein; provided, however, any such amendment

shall not adversely affect the title to any Lots or Homesites unless the Owner shall consent thereto in writing.

After the termination of Class B membership, approval by the Owners of a majority of the Lots shall be required to amend, modify or terminate this Declaration. Upon approval of the Owners, as set out above of said amended declaration (as evidenced by the President's or Vice-President's signature) the amended declaration shall be recorded in the Real Property Records of Waller County, Texas, whereupon to the extent of any conflict with this Declaration, the amended declaration shall control.

ARTICLE XIV. ALTERNATE DISPUTE RESOLUTION

A. Dispute Resolution

No dispute between any of the following entities or individuals shall be commenced until the parties have submitted to non-binding mediation: Owners; Members; the Board of Directors; officers in the Association; or the Association.

Disputes between Owners that are not regulated by the Declaration shall not be subject to the dispute resolution process.

B. Outside Mediator

In a dispute between any of the above entities or individuals, the parties must voluntarily submit to the following mediation procedures before commencing any judicial or administrative proceeding. Each party will represent himself/herself individually or through an agent or representative, or may be represented by counsel. The dispute will be brought before a mutually selected mediator. Such mediator will either be an attorney-mediator skilled in community association law, a Professional Community Association Manager ("P.C.A.M.") as certified by the Community Associations Institute, or a Certified Property Manager ("C.P.M.") as certified by the Institute of Real Estate Managers. In order to be eligible to mediate a dispute under this provision, a Mediator may not reside in Plantation Lakes, work for any of the parties, represent any of the parties, nor have any conflict of interest with any of the parties. The Board shall maintain a list of no less than five (5) potential mediators, but the parties will be in no way limited to their choice by this list. Costs for such mediator shall be shared equally by the parties.

If the parties cannot mutually agree upon the selection of a mediator after reasonable efforts (not more than thirty (30) days), each party shall select their own mediator and a third will be appointed by the two selected mediators. If this selection method must be used, each party will pay the costs of their selected mediator and will share equally the costs of the third appointed mediator.

C. Mediation is Not a Waiver

By agreeing to use this Dispute Resolution process, the parties in no way waive their rights to extraordinary relief including, but not limited to, temporary restraining orders or temporary injunctions, if such relief is necessary to protect or preserve a party's legal rights before a mediation may be scheduled.

D. Assessment Collection and Lien Foreclosure

The provisions of this Declaration dealing with Alternate Dispute Resolution shall not apply to the collection of assessments and/or the foreclosure of the Assessment Lien by the Association as set out in the Declaration.

E. Term

This Article XIV, Alternative Dispute Resolution, shall be in full force and effect for an initial period of three (3) years from the date of execution of this Declaration. However, this Article shall remain in full force and effect unless, at the first open meeting of the Association after such initial period, a majority of the Board of Directors votes to terminate the provisions of this Article XIV, Alternative Dispute Resolution.

ARTICLE XV. GENERAL PROVISIONS

A. Severability

The invalidity of any one or more of the provisions of this Declaration shall not affect the validity of the other provisions thereof.

B. Compliance with Laws

At all times, each Owner shall comply with all applicable federal, state, county, and municipal laws, ordinances, rules, and regulations with respect to the use, occupancy, and condition of the Homesite and any improvements thereon. If any provision contained in this

Declaration or any supplemental declaration or amendment is found to violate any law, then the provision shall be interpreted to be as restrictive as possible to preserve as much of the original provision as allowed by law.

C. Gender and Number

The singular wherever used herein shall be construed to mean or include the plural when applicable, and the necessary grammatical changes required to make the provisions hereof applicable either to corporations (or other entities) or individuals, male or female, shall in all cases be assumed as though in each case fully expressed.

D. Headlines

The titles and captions for this Declaration and the sections contained herein are for convenience only and shall not be used to construe, interpret, or limit the meaning of any term or provision contained in this Declaration.

E. Governing Law

The provisions in this Declaration shall be governed by and enforced in accordance with the laws of the State of Texas. Any and all obligations performable hereunder are to be performed in Waller County, Texas.

F. Fines for Violations

The Association may assess fines for violations of the restrictive covenants contained in this Declaration, other than non-payment or delinquency in assessments, in amounts to be set by the Board of Directors, which fines shall be secured by the continuing assessment lien set out in this Declaration.

G. Books and Records

The books, records and papers of the Association shall, upon written request and by appointment, during normal business hours, be subject to inspection by any Member, for any proper purpose. The Articles of Incorporation, By-Laws, and this Declaration shall likewise be available, upon written request, for inspection, by appointment during normal business hours by any Member at the office of the Association, for any proper purpose as set forth in the By-Laws.

H. Notices

Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as Owner on the records of the Association at the time of such mailing.

I. Mergers

Upon a merger or consolidation of the Association with another association as provided in its Articles of Incorporation, the Association's properties, assets, rights and obligations may be transferred to another surviving or consolidated association or, alternatively, the properties, assets, rights and obligations of another association may be transferred to the Association as a surviving corporation or to a like organization or governmental agency. The surviving or consolidated association shall administer any restrictions together with any Declarations of Covenants, Conditions and Restrictions governing these and any other properties, under one administration. No such merger or consolidation shall cause any revocation, change or addition to this Declaration.

J. Current Address and Occupants

Owners are required to notify the Association in writing of their current address if other than the physical address of the Lot or Homesite at all times. If an Owner fails to notify the Association of their current address, the Association shall use the address of the Lot or Homesite as the current address. If Owner leases the property, he shall supply the name of the tenant present upon the execution of any lease.

K. Security

NEITHER THE ASSOCIATION, ITS DIRECTORS, OFFICERS, MANAGERS, AGENTS, OR EMPLOYEES, NOR THE DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL IN ANY WAY BE CONSIDERED AN INSURER OR GUARANTOR OF SECURITY WITHIN THE PROPERTY. NEITHER SHALL THE ASSOCIATION, ITS DIRECTORS, OFFICERS, MANAGERS, AGENTS, OR EMPLOYEES, DECLARANT OR SUCCESSOR DECLARANT BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. ALL OWNERS AND OCCUPANTS OF ANY LOT TENANTS, GUESTS AND INVITEES OF ANY OWNER, AS

APPLICABLE, ACKNOWLEDGE THAT THE ASSOCIATION, ITS BOARD OF DIRECTORS, OFFICERS, MANAGERS, AGENTS, OR EMPLOYEES, DECLARANT OR ANY SUCCESSOR DECLARANT DOES NOT REPRESENT OR WARRANT THAT ANY FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL PREVENT LOSS BY FIRE, SMOKE, BURGLARY, THEFT, HOLD-UP OR OTHERWISE, NOR THAT FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR INTENDED. EACH OWNER AND OCCUPANT OF ANY LOT AND EACH TENANT, GUEST AND INVITEE OF AN OWNER, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT THE ASSOCIATION, ITS DIRECTORS, OFFICERS, MANAGERS, AGENTS, OR EMPLOYEES, DECLARANT OR ANY SUCCESSOR DECLARANT ARE NOT INSURERS AND THAT EACH OWNER AND OCCUPANT OF ANY DWELLING AND EACH TENANT, GUEST AND INVITEE OF ANY OWNER ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO DWELLINGS AND TO THE CONTENTS OF DWELLINGS AND FURTHER ACKNOWLEDGES THAT THE ASSOCIATION, ITS DIRECTORS, OFFICERS, MANAGERS, AGENTS, OR EMPLOYEES, DECLARANT OR ANY SUCCESSOR DECLARANT HAVE MADE NO REPRESENTATIONS OR WARRANTIES NOR HAS ANY OWNER, OCCUPANT, TENANT, GUEST OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY FIRE AND/OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS RECOMMENDED OR INSTALLED OR ANY SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTY.

L. Service Mark

Declarant is the prior and exclusive owner and proprietor of, and reserves all rights with respect to the service mark for Plantation Lakes ("Service Mark"). Unless and until a written license agreement has been sought and obtained from Declarant (and in this connection Declarant may withhold consent in its sole and absolute discretion), no person or entity may at any time and/or for any reason whatsoever, use, depict, draw, demonstrate, reproduce, infringe, copy or resemble, directly or indirectly, the Service Mark.
