SALES

281 HWY, QUINCY, WA 98848

Located in Quincy, FU 210 & 211 Block 72 offers 153+ acres of prime farmland with excellent visibility and access along Highway 281. The property boasts 140 acres of highly productive tillable ground, all irrigated by efficient pivot systems sourced through QCBID. The NW corner features a large, unfinished 2-story home (2448 sqft, built in 1972), several outbuildings, and established utilities including a well, septic, and power. With stunning hill views, this peaceful, secluded property is surrounded by farmland and orchards. Additional potential includes a preliminary short plat for subdividing into two lots. Endless possibilities await!
