

The rent is for pasture (\$1,500) and hunting license (now \$2,500). The sale of product/crop insurance is the income (or insurance) for the tillable land. The government is 2/3rds of the CRP income (Farm Tenant gets 1/3 for maintaining the CRP land. Expenses include my 1/3 of the tillable land expenses (seed & fertilizer). Other expenses include liability insurance, tax preparation (and of course taxes).
