Peoples Company proudly presents the Nash Farm, a 142.58-acre property near Palmyra, NE, in Section 31 of the North Palmyra Plat. Featuring 133.50 FSA cropland acres of primarily Class 3 soils, Wymore silty loam, and Pawnee clay loam, this farm is primed for strong agricultural productivity. Located along State Highway 2 in Otoe County, just southeast of Lincoln, Nebraska, it sits in a strong farming region with potential for future development. The property is currently zoned F1 (Flex District), which allows a wide range of commercial, residential, and industrial uses. There is one water Benefit Unit tap/hookup available onsite and active, which is supplied by Lancaster County Rural Water District 1. This is a valuable property asset as this rural water district has had a moratorium on new customers since 2021, and finding a large property with an active water tap in this location is a rarity.

This property combines reliable agricultural returns with long-term investment potential. Don't miss your chance to own a versatile asset with proven farming capabilities and future growth prospects in a prime location.

All future zoning and development information should be verified independently with the Otoe County Planning & Zoning Department prior to bidding.

FINANCING: The buyer's obligation to purchase the Real Estate is unconditional and is not contingent upon the Buyer obtaining financing. All financial arrangements are to have been made before bidding at the auction.
