Hi Jennifer,

Per our conversation, I want to confirm Casy & Leigh Riendeau have the right to connect to our community drainfield without any connection fees. They are allowed to build a 3 bedroom home subject to the following:

5.5.16 Septic Flow Limitation. Lots 1 and 2, Lot 3 and Lot 4 are limited to a maximum permitted sewage and wastewater discharge of three hundred (300) gallons per day. Lots 5, 6, 7, 8 and 9 are limited to a maximum permitted sewage and wastewater discharge of two hundred fifty (250) gallons per day.

If you need any additional information, please let me know.

Take Care,
