20± ACRES ON POLK ROAD 169

WELCOME TO A 20± ACRE TRACT IN POLK COUNTY, ARKANSAS, OFFERING A WORLD OF USES AND POTENTIAL! The wooded property is located at 179 Polk Road 169 in Mena, in close proximity to the Christian Motorcyclists Association Iron Mountain Campus and International Headquarters, which hosts numerous people year-round. This tract is primed and ready for the next owner. Once used as a mobile home park, the property has the infrastructure in place to further that endeavor or start over. The land is heavily wooded, so you can expect to see local wildlife among the acreage.

If a short-term rental is not your goal, the property is ideal for reestablishing the mobile home park or dropping some tiny houses or barndominiums on the existing pads. The property is located close enough to Wolf Pen Gap to also have a short commute to the trails if that appeals to you. A nice feature that is easily overlooked is the Iron Mountain Wildlife Management Area just across the road. This area offers walk-in access only and can provide unlimited recreational activities.
