

# About us

A family-owned company, Your trusted source for affordable off-market land

"We started Preston lands to provide an easy path to land ownership"

## Serving clients since 2010

Our dedication to land and assisting others is the foundation of our success, both for us and our clients. Offering exclusive access to off-market listings and easy payment plans are just some ways we help individuals achieve land ownership.

500+

Satisfied land owners

A+ Better Business Bureau rating

## What we have to offer

01

### Friendly Customer Care

We pride ourselves on helping our clients quickly.

"Our goal is simple: to help everyday people achieve land ownership quickly and effortlessly with our innovative and easy payment plans."

02

### Flexible Payment Plans

For all our properties, we provide multiple monthly payment plans to suit your budget, as well as a discounted cash price option.

03

### No Agent Fees or Commissions

We directly own every property we sell, eliminating the middleman and enabling us to maintain low costs.

04

### No Credit Checks

When you purchase a property through us, rest assured that we manage all qualifications internally eliminating the need for a formal outside credit check.

05

### Customer Experience

We are dedicated to delivering a seamless and enjoyable purchasing experience that will leave you eager to share your satisfaction with friends and family.

06

### Exclusive Client Portal

When you purchase from us, you'll receive access to a personalized portal where you can easily manage your payment plan and property.
