

HILL
ROBERT
M &
SHIRLEY A

This is an aerial photograph of a wooded area. A green line with a white border outlines a specific plot of land. The plot is roughly rectangular but has an irregular shape, following the contours of the terrain. In the upper left corner of the plot, there is a small clearing with a building and some other structures. In the lower right corner of the plot, there is a green dot with a white border. The text 'HILL ROBERT M & SHIRLEY A' is overlaid in the center of the plot. The background is a dense forest of green trees.
