IMPORTANT NOTICE FOR PERSONS HAVING WELLS DRILLED CONCERNING CONFIDENTIALITY

TEX. OCC. CODE Title 12, Chapter 1901.251, authorizes the owner (owner or the person for whom the well was drilled) to keep information in Well Reports confidential. The Department shall hold the contents of the well log confidential and not a matter of public record if it receives, by certified mail, a written request to do so from the owner.

Please include the report's Tracking Number on your written request.

Donna B. Kleinert
6388 Hurta Lane
Bryan, Texas 77808

Dear Ms. Kleinert,

Enclosed is your Certificate of Registration BVR-4168 for your one (1) recently completed exempt water well. Accompanying the certificate are two information sheets for your review. The information presented is intended to bring your attention to the importance of protecting the wellhead and how that relates to the protection of the aquifers and the major responsibility that lies with the well owner.

Please take a few minutes to review these sheets. If you have any questions concerning any of the information contained in these handouts, feel free to contact the District at (979-279-9350), or my cell phone (817-774-6412), or come by the office at 112 West 3rd Street in Hearne, Texas.

I appreciate your efforts to continue to protect the health of the aquifers that lay beneath the District.

Respectfully,

Alan M. Day
General Manager
Brazos Valley Groundwater Conservation District

Certificate of Registration

Exempt Well

The Brazos Valley Groundwater Conservation District

BVR-4168

Donna B. Kleinert
6388 Hurta Lane
Bryan, Texas 77808

This Certificate is effective as of May 2, 2022

Alan M. Day, General Manager

5-2-22

Date

This application has been approved by the General Manager of the District and satisfies BVGCD Rule 8.2.

It is the applicant's responsibility that the well registered in this Certificate stay in compliance with the District's Rule's 8.1 and 8.2 defining Exempt Well Status. If at any time modification is done to a well that would change the wells production capability the District must be notified to determine if any further action must be taken.
