

ARROYO GRANDE, — California —

WHERE COASTAL CLIMATE
MEETS COUNTRY LIVING

MILD • COASTAL • AGRICULTURAL • YEAR-ROUND LIFESTYLE

A NATURALLY COMFORTABLE CLIMATE

Arroyo Grande enjoys a mild Mediterranean-style coastal climate, influenced by the Pacific Ocean. Summers are comfortable, not scorching, and winters are mild. The area receives roughly

**15-20 INCHES OF RAINFALL
ANNUALLY,**

with most rain occurring
during the cooler season.

THE COASTAL INFLUENCE

Morning marine layer, coastal fog and cool ocean air help moderate temperatures throughout the Arroyo Grande Valley.

*That means fewer temperature
extremes—and plenty of days suited for*

PATIO

BEACH
TRIPS

and enjoying the outdoors.

A CLIMATE MADE FOR GROWING

That same cool coastal influence helps make the Arroyo Grande Valley one of San Luis Obispo County's important agricultural areas. The region's fertile soils, coastal air and mild temperatures create ideal growing conditions for a wide variety of crops.

WHAT GROWS HERE?

STRAWBERRIES

BROCCOLI

LETTUCE &
LEAFY VEGETABLES

AVOCADOS

CITRUS

WINE GRAPES

FLOWERS &
NURSERY CROPS
